

Annual Light a Luminary Project

Dear Neighbor:

Our Winston-Salem community has been lighting luminaries in honor of Ronald McDonald House families since 1987. This holiday tradition has helped to provide a "home away from home" for almost 20,000 families.

Luminary Kits:

Kits are \$7.00 each and contain

- Six white bags
- Six candles
- Sand

Gable boxes are available at our retail locations.

View retail locations at www.rmhws.org

Happy holidays from the Friends of the Ronald McDonald House and thank you to our sponsors!
